

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Scientific Program

### Wednesday, October 3, 2018

#### Morning Session I

08:00-09:00 Registration, Reception & Exhibition

09:00-09:30 Opening remarks

#### Morning Session II - War wounded around the world.

Chairpersons: William Schecter M.D, FACS | Vladimir V. Khomeinets, MD, PhD

09:30-09:45 Extending a helping hand Col. Noam Fink - Commander of Northern Medical Corps. I.D.F

09:45-10:00 Vascular Trauma in Time of War: Increasing Technical Capability, Decreasing Clinical Proficiency? William Schecter, MD, FACS - Professor Emeritus of Clinical Surgery, Emeritus University of California, San Francisco, USA

10:00-10:15 Contemporary military trauma care: Challenges of modern war Vladimir V. Khomeinets, MD, PhD - Chief of Military Traumatology and Orthopedics, Department of the Military Medical Academy, (Saint Petersburg, Russia) A Colonel of Medical Corps, Russian Army

10:15-10:30 Prevention of infection in combat related trauma: Optimizing of rehabilitation and outcome in lower extremity trauma Joseph Hsu, MD - Prof. Carolinas Medical Center, Dept. of Orthopedics, Charlotte, N.C. USA

10:30-10:45 Blast injury Yaron Bar-Lavie, MD, FCCP, Chairman, Israeli Society of Critical Care Medicine. Chairman, Division of Critical Care Medicine, Rambam Medical Center, Haifa, Israel

10:45-11:00 Discussion

11:00-11:15 TBA Guest speaker- TBA

11:15-11:45 Coffee break & Exhibition

#### Morning Session III - Galilee Medical Center- A leading center for treatment of the Syrian war wounded

Chairpersons: Dafna Willner MD | Haim Shtarker MD

11:45-12:00 Reconstruction after facial injury Eyal Sela, MD - Head of Otolaryngology Head & Neck Department, Galilee Medical Center

12:00-12:15 Severe gunshot maxillofacial trauma, when & where to start? Samer Srouji, DMD, Ph.D - Head of Oral & Maxillofacial Surgery, Oral Medicine Institute, Galilee Medical Center, Nahariya, Israel

12:15-12:30 Severe infected orthopedic injuries Haim Shtarker, MD - Head of Dept. of Orthopedics "A", Galilee Medical Center, Nahariya, Israel

12:30-12:45 Multidisciplinary treatment of extremity injuries Leonid Kogan, MD - Head of Dept. of General Surgery "B", Galilee Medical Center, Nahariya, Israel

12:45-13:00 Dilemma of sutured surgical wounds Mu'adh Faraj, MD - Deputy Director, General Surgery "B", Galilee Medical Center, Nahariya, Israel

13:00-13:15 Syria civil war pediatric casualties treated at a single medical center Sweed Yechiel, MD - Head of Dept. Pediatric Surgery, Galilee Medical Center, Nahariya, Israel

13:15-13:30 Discussion

13:30-14:30 Lunch & Exhibition

#### Parallel Sessions

Nurses session Chairpersons: Simcha Breznis RN | Smadar Okampo RN See page 3

Neurosurgery session Chairpersons: Lion Levi MD | Guy Rosental MD See page 4

Orthopedic session Chairpersons: Alexander Lerner MD | Igor Kaftanjiev M.D, PhD See page 5

Chairpersons: Joseph Hsu MD | Mikhail Samchukov MD

14:30-18:30 Syrian wounded - asset or burden? Panel discussion with hospital CEOs  
Chairperson: Massad Barhum MD  
Dr. Erez On, CEO The Baruch Padeh Medical Center, Poriya, Tiberius, Israel  
Dr. Massad Barhoum, CEO Galilee Medical Center, Nahariya, Israel  
Dr. Salman Zarka, CEO, Ziv Medical Center, Sefad, Israel  
Brigadier General Tarif Bader, MD, M.H.A., MA, Surgeon General of the Israel Defense Forces (IDF)

18:30-18:40 Conclusions

The capabilities of the IDF (Israel Defense Force) field hospital intensive care unit and operating room will be presented for the first time.

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Thursday, October 4, 2018

### Morning Session I

08:00-08:30 Reception & Exhibition

08:30-08:40 Opening remarks

### Morning Session II - Israeli hospitals catastrophic scenarios

Chairperson: **Muad Faraj** MD, IDF Representative

#### 08:40-10:00 Forum

**Muad Faraj, Moderator**, MD - Galilee Medical Center, Nahariya, Israel // **Alex Braslavsky**, MD - Ziv Medical Center, Sefad, Israel  
**Milad Caravan**, MD - Poriya Medical Center, Tiberias, Israel // **Yoram Kluger**, MD - Rambam Medical Center, Haifa, Israel  
**Hani Bahus**, MD - Rambam Medical Center, Haifa, Israel // **Yoram Klein**, MD - Sheba Medical Center, Ramat Gan, Israel  
**Meir Liebergall**, MD - Hadassah Medical Center, Jerusalem, Israel // **Mr. Davidson**, MD - National Director for IDF representative  
Minister of Health representative

10:00-10:10 Discussion

10:10-10:30 Guest Speaker

TBA

10:30-11:00 Coffee break & Exhibition

### Morning Session III - Flexible thinking under varying circumstances

Chairpersons: **Meir Liebergall** MD | **Gleb Korobushkin** MD, PhD.

11:00-11:15 **The US opioid epidemic: Lessons for the international community**

**Joseph Hsu**, MD - Carolinas Medical Center, Dept. of Orthopedics, Charlotte, N.C. USA

11:15-11:30 **Damage control orthopedics in mass casualty events and disasters**

**Elhanan Bar-On**, MD, MPH, Director, Israel Center for Disaster Medicine, and Humanitarian Response, Sheba Medical Center at Tel HaShomer, Ramat Gan, Israel

11:30-11:45 **The impact of trauma systems on civilian outcomes - lessons learned and application in areas of humanitarian response to conflict**

**Tarek Razek**, MD, FRCS, FACS - Chief, Division of Trauma Surgery, McGill University, Montreal, Canada Health Centre. Chief, Trauma Services, Dept. of Surgery, McGill University, Montreal, Canada

11:45-12:00 Discussion

### Morning Session IV - Israeli Experience

Chairpersons: **Elhanan Bar-On** MD, MPH | **Jack Stoler** MD

12:00-12:15 **Lessons learned from mass casualty incidence**

**Meir Liebergall**, MD - Hadassah Medical Center, Jerusalem, Israel

12:15-12:30 **Triage: principles in military medicine**

**Hani Bahus**, MD - Head of Trauma Unit, Rambam Medical Center, Haifa, Israel

12:30-12:45 Discussion

### Morning Session V - Galilee Medical Center: A leading center for treatment of the Syrian war wounded

Chairpersons: **Yael Ziv** MD | **Nikola Makhul** M.D.

12:45-13:00 **Penetrating head injuries**

**Jean Sustiel**, MD - Head of Dept. of Neurosurgery, Galilee Medical Center, Nahariya, Israel

13:00-13:15 **Minimally invasive & percutaneous treatment of penetrating spine injuries**

**Nimrod Rahamimov**, MD - Head, Dept. of Orthopedics B & Spine Surgery, Galilee Medical Center

13:15-13:30 **Ethical considerations in coping with treating Syrian patients**

**Ze'ev Zonis**, MD - Head, Pediatric Intensive Care Unit, Galilee Medical Center, Nahariya, Israel

13:30-13:45 Discussion

13:45-14:30 Lunch & Exhibition

### Parallel Sessions

**Orthofix workshop TL-trauma tibial midshaft fracture reduction using Ras**

Chairpersons: **Haim Shtarker** MD | **Mikhail Samchukov** MD

See page 6

14:30-18:00 **Facial trauma symposium - CMF session**

Chairperson: **Samer Srouji** MD

See page 7

**Military and paramedic** Chairperson: **Muad Faraj** MD, IDF Representative

See page 8

**General surgery** Chairpersons: **William Schecter** M.D, FACS | **Igor Waksman** MD

See page 9

**Tarek Razek** MD

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Nurses Session

Wednesday, October 3, 2018

### Agenda

**Chairpersons:** Simcha Breznis RN | Smadar Okampo RN

#### Opening Remarks - Tsvi Sheleg, MD, Deputy Director Galilee Medical Center

14:30 – 14:45	<b>How an operating room team in an outlying hospital cope with the fatally wounded following a terrorist attack</b>	<b>Larissa Zeidman</b> , Deputy OR Nurse, Kaplan Hospital, Rehovot, Israel
14:45 – 15:00	<b>Negative pressure treatment in trauma patients</b>	<b>Sima Ben Shitrit</b> MA RN, Wound and Burn Treatment Co-ordinator, Rambam Medical Center, Haifa, Israel
15:00 – 15:15	<b>Sciatic bone transplant in a Syrian patient</b>	<b>Mouflah Hib Abu Rachma Sali</b> , Paediatric Surgery RN, Galilee Medical Center, Nahariya, Israel
15:15 – 15:30	<b>Inpatient rehabilitation treatment for upper limb war injuries in Syrian patient</b>	<b>Marwa Nahas</b> M.Sc, Galilee Medical Center, Nahariya, Israel
15:30 – 15:45	<b>Treatment of the war wounded – case study</b>	<b>Sivan Shlomo</b> , Meir Hospital
15:45 – 16:00	<b>Physiotherapy challenges in treatment of Syrian war wounded</b>	<b>Asaf Pompar</b> , Physiotherapist, Galilee Medical Center, Nahariya, Israel
16:00 – 16:15	<b>Coffee break</b>	
16:15 – 16:30	<b>Treating Syrian wounded – perspective of an OR nurse</b>	<b>Simcha Breznis</b> , Senior OR Nurse, Galilee Medical Center, Nahariya, Israel
16:30 – 16:45	<b>War wounded</b>	<b>Marina Goyzman</b> , BA RN, Paediatric Surgery Dept., Galilee Medical Center, Nahariya, Israel
16:45 – 17:00	<b>The stories behind the news</b>	<b>Elena Gurevitz</b> , BA RN, Paediatric Intensive Care, Galilee Medical Center, Nahariya, Israel
17:00 – 17:15	<b>The social worker as a treatment manager for Syrian patients</b>	<b>Inas Shaaban</b> , <b>Najla Masri</b> MSW <b>Hana Solomon</b> MSW, Galilee Medical Center, Nahariya, Israel
17:15 – 17:30	<b>Treatment of Syrian wounded – ethical and professional aspects</b>	<b>Marva Abu Taya</b> , <b>Paulina Weiner</b> , Orthopedic Nurses, Poriya Medical Center, Tiberius, Israel
17:30 – 17:45	<b>From illness to recovery</b>	<b>Oded and Adam</b> , <b>Lulu and Kerambola</b> , Medical Clowns
17:45 – 18:00	<b>Bridges of love</b>	<b>Smadar Okampo</b> , BN, BsN, Senior Paediatric Surgery Nurse, Galilee Medical Center, Nahariya, Israel

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Neurosurgery Session

Wednesday, October 3, 2018

### Agenda

**Chairpersons:** Leon Levi MD | Guy Rosenthal MD

**Opening Remarks - Jean F. Soustiel**, Department of Neurosurgery, Galilee Medical Center, Azrieli Faculty of Medicine, Bar Ilan University, Nahariya

14:35 – 14:40	<b>Session Introduction</b>	<b>Ygal Shoshan</b> , MD - Head, Department of Neurosurgery, Hadassah Medical Center, Jerusalem, Israel
14:40 – 15:00	<b>History of medical evacuation from the battle field: From the “ambulante” of Baron Larrey to contemporary airlift medivac</b>	<b>Moshe Feinsod</b> , Professor Emeritus, Technion, Haifa, Israel
15:00 – 15:20	<b>Complex craniofacial penetrating head injuries from the Syria civil war</b>	<b>Samuel Tobias</b> , MD - Deputy Director Department of Neurosurgery, Galilee Medical Center, Nahariya, Israel
15:20 – 15:40	<b>The impact of airlift medical evacuation on war casualties and in-hospital morbidity and mortality: The lessons of the Lebanese wars</b>	<b>Nachshon Knoler</b> , MD - Department of Neurosurgery, Sheba Medical Center, Tel Hashomer, Israel
15:40 – 16:00	<b>Vascular cerebral lesions caused by penetrating head injuries and their management</b>	<b>Ygal Shoshan</b> , MD - Head, Department of Neurosurgery, Hadassah Medical Center, Jerusalem, Israel
16:00 – 16:30	<b>Coffee break</b>	
16:30 – 16:50	<b>Neurointensive care management: The challenge of penetrating brain injuries</b>	<b>Guy Rosenthal</b> , MD - Director, Neurosurgical Intensive Care Unit, Department of Neurosurgery, Hadassah Medical Center, Jerusalem, Israel
16:50 – 17:10	<b>Bacteria without borders: Carriage and CNS infections caused by multi-drug resistant bacteria in Syrian children hospitalized in Israel</b>	<b>Danny Glikman</b> , MD - Pediatric Infectious Diseases Unit, Galilee Medical Center, Nahariya, Israel
17:10 – 17:30	<b>Conservative strategy for management of shrapnel head injuries for reduction of parenchymal damage is not associated with increased CNS infections: Lessons of the Lebanon conflict</b>	<b>Leon Levi</b> , Department of Neurosurgery, Rambam Medical Center, Haifa, Israel
17:30-17:40	<b>Closing Remarks</b>	

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Orthopedic Session

Wednesday, October 3, 2018

### Agenda

Chairpersons: Alexander Lerner MD | Igor Kaftanjiev M.D, PhD

#### Opening Remarks -

14:30-14:40	<b>Prevention of infection of combat related trauma</b>	<b>Joseph Hsu</b> , MD - Carolinas Medical Center, Dept. of Orthopedics, Charlotte, N.C. USA
14:40-14:50	<b>Soft tissue reconstruction of combat related injuries</b>	<b>Joseph Hsu</b> , MD - Carolinas Medical Center, Dept. of Orthopedics, Charlotte, N.C. USA
14:50-15:00	<b>Discussion</b>	
15:00-15:10	<b>Ilizarov principles of bone defect management</b>	<b>Mikhail Samchukov</b> , MD - Head of Division Orthopaedic Research, Texas Scottish Rite Hospital, Dallas, Texas, USA
15:10-15:20	<b>Acute shortening</b>	<b>Alexander Lerner</b> , MD - Director, Dept. of Orthopedic Surgery, Ziv Medical Center, Sefad, Israel
15:20-15:30	<b>Cable bone transport</b>	<b>Haim Shtarker</b> , MD - Galilee Medical Center, Nahariya, Israel
15:30-15:40	<b>Vascular fibular graft</b>	<b>Arik Zaretsky</b> , MD - Department of Reconstructive and Aesthetic Surgery, Tel Aviv Medical Center, Israel
15:40-15:50	<b>Discussion</b>	
16:00-16:15	<b>Coffee break &amp; Exhibition</b>	

Chairpersons: Joseph Hsu MD | Mikhail Samchukov MD

16:15-16:25	<b>Muscle transfer</b>	<b>Amin Abu Jabal</b> , MD - Galilee Medical Center, Nahariya, Israel
16:25-16:35	<b>The role of Nuclear Medicine in Post-traumatic Osteomyelitis in Syrian casualties</b>	<b>Elite Arnon-Sheleg</b> , MD - Head of Nuclear Medicine Dept. Galilee Medical Center, Nahariya, Israel
16:35-16:45	<b>Discussion</b>	
16:45-16:55	<b>Small bone fractures in major trauma. What should be done with foot trauma?</b>	<b>Gleb Korobushkin</b> , MD - Russian State Medical University, Department of Traumatology, Orthopedic surgery and Military Medicine
16:55-17:05	<b>Our experience in the treatment of patients with gunshot wounds of long bones</b>	<b>Vladimir V. Khomeinets</b> , MD, PhD
17:05-17:20	<b>The Syrian war wounded</b>	<b>Saker Khamaisy</b> , MD - Orthopedic Surgeon, Poriah Medical Center, Tiberia, Israel
17:20-17:35	<b>Treatment of upper limb nerve injuries</b>	<b>Sorin D. Iordache</b> , MD - Rabin Medical Center, Petach Tikva, Israel

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Orthofix Session

Thursday, October 4, 2018

### Agenda

Chairpersons: Haim Shtarker MD | Mikhail Samchukov M.D

#### Opening Remarks

14:00-15:00	<b>Orthofix workshop TL-trauma tibia midshaft fracture reduction using Ras</b>	<b>Mikhael Samchukov</b> , MD - Head of Division Orthopaedic Research, Texas Scottish Rite Hospital, Dallas, Texas, USA <b>Haim Shtarker</b> , MD - Head of Dept. Orthopaedic Surgery A Galilee Medical Center, Nahariya, Israel. <b>Congress Chairperson</b>
15:00-15:30	<b>TL-Hex tibia midshaft malunion: Frame application and data acquisition</b>	<b>Mikhael Samchukov</b> , MD - Head of Division Orthopaedic Research, Texas Scottish Rite Hospital, Dallas, Texas, USA
15:30-15:45	<b>Coffee break</b>	
15:45-16:45	<b>TL-Hex tibia midshaft malunion: Deformity correction</b>	<b>Mikhael Samchukov</b> , MD - Head of Division Orthopaedic Research, Texas Scottish Rite Hospital, Dallas, Texas, USA
16:45-17:30	<b>Hex Ray Introduction: Paper lab</b>	<b>Mikhael Samchukov</b> , MD - Head of Division Orthopaedic Research, Texas Scottish Rite Hospital, Dallas, Texas, USA
17:30-17:40	<b>Conclusions</b>	<b>Haim Shtarker</b> , MD - Head of Dept. Orthopaedic Surgery "A" Galilee Medical Center, Nahariya, Israel. <b>Congress Chairperson</b>

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Facial Trauma Symposium

CMF Session - October 4, 2018

Johnson & Johnson INSTITUTE

### International Faculty

**Dr. Majeed Rana**  
Vice Director of Dept.  
Oral & Maxillofacial Surgery, Düsseldorf, Germany

**Dr. Agnes Jedig**  
Oral & Maxillofacial Surgery Dept.  
Klinik für Mund, Düsseldorf, Germany

### Local Faculty

**Dr. Ran Yahalom**  
Head of Dept.  
Oral & Maxillofacial Surgery  
Sheba Medical Center

**Prof. Adi Rachmiel**  
Head of Dept.  
Oral & Maxillofacial Surgery  
Rambam Medical Center

**Prof. Samer Srouji**  
Head of Dept.  
Oral & Maxillofacial Surgery Chair  
Galilee Medical Center

### Agenda

Chairperson: Samer Srouji MD

#### Session 1: Clinical & Decision-Making Review

14:30 – 14:35	Welcome & objectives of the CMF Session	S. Srouji
14:35 - 14:55	Primary orbital reconstruction after trauma	M. Rana
14:55 - 15:15	Facial penetrating injuries	R. Yahalom
15:15 - 15:35	Transoral endoscopic assisted condylar fracture treatment	A. Jedig
15:35 - 15:55	Management of Panfacial Fractures	A. Rachmiel
15:55 - 16:15	Primary & secondary mid-facial recon after trauma using PSI	M. Rana
16:15 – 16:35	Coffee Break	

#### Session 2: Workshop "Advanced Midface Reconstruction"

16:35 - 17:20	PSI planning webinar with Materialize / Orbital recon demonstration with Matrix	
17:20 - 17:25	Groups Rotation	
17:25 - 18:05	PSI planning webinar with Materialize / Orbital recon demonstration with Matrix	

\*PSI: S. Srouji & M. Rana \*\*Recon: R. Yahalom, A. Rachmiel & A. Jedig

#### Session 3: Panel Discussion

18:05 - 18:20	Future of PSI in maxillofacial trauma treatment	All Faculty
18:20 – 18:35	Take home messages & closing remarks	

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## General Surgery Session

Thursday, October 4, 2018

### Agenda

**Chairpersons:** William Schecter M.D, FACS | Igor Waksman MD | Tarek Razek MD

**Opening Remarks:** Eli Kakiashvili, MD | **Moderators:** William Schecter, Igor Waksman, Tarek Razek.

14:30-14:45	<b>Enteroatmospheric Fistula-A Strategy for Management</b>	<b>William Schecter</b> , MD, FACS - University of California, USA
14:45-15:00	<b>Training teams to work in areas of conflict – the dilemma of over specialization</b>	<b>Tarek Razek</b> , MD, MGH - University of McGill, Montreal, Canada
15:00-15:30	<b>Controversies in the Management of Acute Pancreatitis</b>	<b>William Schecter</b> , MD, FACS - University of California, USA
15:30-15:45	<b>The role of thoracotomy in resuscitation vs the emerging role of REBOA</b>	<b>Tarek Razek</b> , MD - MGH, University of McGill, Montreal, Canada
15:45-16:00	<b>The Syrian conflict: care of abdominal trauma in patients with delayed arrival</b>	<b>Amitay Bikel</b> , MD - Galilee Medical Center, Nahariya, Israel <b>Kostya Akinichev MD</b> , Galilee Medical Center, Nahariya, Israel
16:00-16:15	<b>Experience of Rivka Ziv Medical Center In the management of Syrian military trauma patients</b>	<b>Anton Kvasha</b> , MD - Rivka Ziv Medical Center, Zfat, Israel
16:15-16:30	<b>Coffee break</b>	
16:30-16:45	<b>Selective conservative management of penetrating abdominal injuries due to military conflict who presented with delayed evacuation</b>	<b>Muad Farage</b> , MD - Galilee Medical Center, Nahariya, Israel
16:45-17:00	<b>Use of REBOA in military setting: where we are now?</b>	<b>Boris Kessel</b> , MD - Hillel Yaffe Medical Center, Hadera, Israel
17:00-17:15	<b>When a vehicle becomes a weapon: Experience of Hadassah Medical Center in the management of terror victims</b>	<b>Miklosh Balam</b> , MD - Hadassa Medical Center, Jerusalem, Israel
17:15-17:30	<b>Severe ocular injuries in low intensity combat and the possible role of protective eye wear</b>	<b>Guy Ben Simon</b> , MD & <b>Daphna Prat</b> , MD - Ophthalmology Department, Sheba Medical Center, Ramat Gan, Israel
17:30-17:45	<b>Treatment of penetrating intraocular injuries among Syrians evacuated to the Galilee medical Center</b>	<b>Eliezer Krauz</b> , MD - Ophthalmology Department, Galilee Medical Center, Nahariya, Israel
17:45-18:00	<b>Five years' experience in traumatic orbit injuries from the Syrian War</b>	<b>Reli Ovadia</b> , MD - Ophthalmology Department, Galilee Medical Center, Nahariya, Israel
18:00-18:10	<b>Discussions</b>	
18:10-18:15	<b>Closing remarks</b>	<b>Eli Kakiashvili</b> , MD, Galilee Medical Center, Nahariya, Israel

# International Multidisciplinary Conference on THE TREATMENT OF WAR INJURIES

3-4 October 2018 | Ahuzat Sandrine, Nahariya, Israel

## Trauma Military and Paramedic

Thursday, October 4, 2018

### Agenda

Chairpersons: Zakhar Bramnik MD | Jacob Hen MD

14:35-14:40	<b>Session introduction</b>	<b>Mu'adh Faraj</b> , MD - Deputy Director of General Surgery B Dept. Galilee Medical Center, Nahariya, Israel
14:40-15:00	<b>Pre-hospital airway management, case presentation</b>	<b>Jacob Rotshild</b> , MD, IDF
15:00-15:20	<b>Airway intervention in the Israel Forces- The Need for Paradigm Change</b>	<b>Jacob Chen</b> , MD Head of TCMB Trauma and Combat Medicine Branch, IDF, Israel
15:20-15:40	<b>Pre-hospital airway management</b>	Magen David Adom, Israel
15:40-16:00	<b>Discussion</b>	
16:00-16:30	<b>Coffee break</b>	
16:30-16:50	<b>Treatment of syrian war casualties in GMC</b>	<b>Bar Haim Ronit</b> , MD - Senior Surgery B Dept, Galilee Medical Center
16:50-17:10	<b>TopClosure® of large abdominal wall defect instead of staged hernia repair as part of damage control laparotomy</b>	<b>Andrei Fedorenko</b> , MD - Senior general surgery Dept. <b>Rivka Zieff</b> , Medical Center, Sefad, Israel
17:10-17:30	<b>Discussion</b>	
17:30	<b>Closing remarks</b>
